

essential food sector

With the growing need for flexible and temporary personnel, Essential Food has positioned itself to satisfy clients who recognise the importance in quality of service.

Essential Food delivers a bespoke service via a consultative approach, this is initiated by a familiarisation and analysis process, resulting in a recruitment/service campaign that is both relevant and totally effective, from one off assignments to fully managed recruitment campaigns.

Essential Food is an expert in the provision of temporary and permanent personnel to the food sector. In this sector we concentrate on a variety of unskilled and skilled positions such as Production Staff, Supervisors, QA's, Research & Development, Dispatch, Operations, Senior Management to name but a few.

Our team consists of senior recruitment industry people with 100+ collective years proven track record in delivering positive results. Our extensive market knowledge enables us to understand your specific industry and discuss your needs in a consultative manner. This approach ensures your organization is represented professionally throughout the whole recruitment process.

With our focus and expertise in this particular area of recruitment we have developed an acute understanding of the needs of our clients and candidates. With a wealth of experience in the sector and the professionalism of our Associates, we believe we deliver an unrivalled level of service in this market.

Over the years, we have found positions for hundreds of hard working and dedicated individuals. Many of our temporary workers have secured permanent positions with our clients and many more enjoy the benefits of working with Essential and the diverse range of quality employers we represent. Whether our clients are "Blue Chip" companies or small businesses, and our candidates skilled or unskilled, they all receive the same dedicated service from our team of Associates.

Recruitment is a highly pro-active business, not for the re-active. Essential Food reaches out into the candidate population and engages with your target audience consistently and effectively. A skilled and focused recruitment solution, driven by sector leading individuals who are highly experienced in placing candidates into this specialist field.

Understanding your needs is of paramount importance to our Associates as this allows us to really get to know our client companies. We believe strong working relationships are the key to great service. If we have a good grasp of your business, how it functions and the pressures you experience, we are then in the most effective position to recommend how our products and services can help.

Essential can even offer a complete recruitment solution via our specialist On-Site division offering bespoke recruitment and workforce management, provided on a client's own premises. The level of service provided is tailored to each individual client's needs.

All we ask for in return is the space for a desk and chair!!... simple. Please see our On-site division for further information.

As a division of the HR Essentials Group, all quality procedures involving the recruitment of personnel, such as reference checking, verification of work history, skills matching and eligibility to work are strictly adhered to, thus allowing us to eliminate many of the obvious issues associated with the poor matching of candidates, such as reliability and appropriate skill sets.
