At Essential we have a consuming passion to match the best talent with our client's job opportunities and assist with projects and everyday challenges that impact on you and your company.

Whether you are looking for quality candidates on a permanent, interim, contract or temporary basis, to support your own recruitment plans, our team of personable and experienced Associate Consultants are only a phone call away.

We have expertise in developing and delivering a tailored service which focuses on quality, consistency and cost effectiveness ensuring our clients experience the service they need.

Within Essential there are specialist divisions and teams that cover the majority of sectors within the recruitment spectrum; these are **Industrial, Commercial, Food Sector, Search & Selection, Engineering and On-site Services,**

You will benefit from 100+ years of collective experience within the recruitment industry, which is utilised to provide exceptional service to "Blue Chip" and "local" companies alike... chosen by people just like you!!

Over the years, we have found jobs for thousands of hard working and dedicated individuals. Many of our temporary workers have secured permanent positions following successful temporary periods. Whether our clients are "blue chip" or small businesses, and our candidates skilled or unskilled, they all receive the same dedicated service from our team of Associates.

24 hours a day, 7 days a week our Associates are on stand-by to deliver a rapid response to any recruitment problem. All of our Associates have industry experience in addition to their recruitment skills. We will gain an in depth understanding of your business, how it functions and the pressures you experience, we are then in the most effective position to recommend how our products and services can help. Delivery of this will come from our focus and dedication to the task in hand... every time!!

Large recruitment drives or single placement; long or short term cover; skilled or unskilled staff; permanent or temporary assignment; whatever your requirements we can find the right people to ensure your business keeps going from strength to strength, achieves its potential and maximizes profit.

In these times of fierce competition, the Directors of Essential believe that there is still a place for a company with a goal of excellence!!

The key to our Company's growth is simply the commitment to this pursuit of excellence, an ethos that is adopted throughout the entire organisation, allowing the company to cross sell its services to already very satisfied customers further aiding the group's development.

As a division of the HR Essentials Group, all quality procedures involving the recruitment of personnel, such as reference checking, verification of work history, skills matching and eligibility to work are strictly adhered to, thus allowing us to eliminate many of the obvious issues associated with the poor matching of candidates, such as reliability and appropriate skill sets.
